September 25, 2025

Dear Hiring Team at Bründl Sports,

I'm writing to express my interest in joining Bründl Sports as a ski rental team member in Saalbach for the 2025-2026 winter season. My recent seasonal work experience in Colorado, USA, combined with strong customer service skills and enthusiasm for skiing, makes me eager to contribute to your team and support guests in having the best possible mountain experience.

During the 2024-2025 winter season, I worked at Vail Resorts (Vail Mountain) in Food & Beverage Support (Back of House), where I was responsible for guest service, payment operations, food preparation, stock management, and ensuring workplace hygiene and safety. Working in such a fast-paced and international ski resort environment helped me develop adaptability, efficiency, and strong collaboration skills, all of which I'm confident will transfer seamlessly to the dynamic atmosphere of Saalbach.

Beyond hospitality experience, I'm currently pursuing a Computer Science degree at the University of Buenos Aires, which has strengthened my problem-solving and organizational skills. I'm fluent in Spanish, advanced in English, and currently learning German (A1.1), which allows me to adapt quickly in multilingual and multicultural teams.

I'm also personally motivated to work in Saalbach because of my passion for skiing and my interest in being part of a rental team that ensures guests receive the right equipment and service for a safe and enjoyable day on the slopes. Additionally, I will be travelling with a Working Holiday Visa, which provides me legal authorization to live and work in Austria during the upcoming season.

I would be glad to further discuss how my skills and motivation align with the needs of your ski rental team.

Thank you very much for considering my application.

Sincerely,

**Agustín Fornari**
